Testimonials

"Lizzy offered practical guides and tools and designed homework assignments to get us moving forward. She provided examples relevant to the work of each student in her workshop and was generous in offering personalized feedback."

Susanne Willever PhD,
Associate Director, Education Abroad, Temple University

"She will treat your words as her own."

Ibrahim Alharbi, (English Instructor, TVC)

"Helped me address my lack of confidence with my writing and move forward in order to complete the thesis."

Dr P (PhD grad)

"Lizzy's linguistic skills are second to none. Lizzy has a calm and supportive nature and a unique ability to understand what others need to succeed. She has a way of instilling confidence that both empowers and delivers. ...she will enable you to gain confidence, develop skills and produce the best work you can.."
